Summer Experience
SPECIALIST – Special Exhibition
Seasonal position 5/26/20 to 8/14/20
Exempt, Paid

SUMMARY

The main purpose of the Summer Experience Specialist position is to oversee the operation and activities of the Museum's Summer Experience designed primarily for families with children ages 2-12 while ensuring a safe and caring environment that promotes positive interactions with all Museum guests. The Summer Experience Specialist proactively engages Museum guests to deliver a memorable experience. The summer experience specialist will help create excitement around science, engineering, and transportation.

Job Responsibilities include (but are not limited to) preparing the Summer Exhibit for daily operations, addressing issues with the exhibit(s), ensuring safety during the guests' experience, presenting programming in a friendly and engaging manner, and creating excitement around engineering and STEM. Some administrative and other duties as required.

QUALIFICATIONS

Must love working with children and families. Must have an engaging personality with strong affinities for STEM and/or aviation. Must have good communication skills and strong customer service skills. Attention to details, autonomy, and flexibility are a must. Ability to stand for extended periods of time, may have to lift less than 50 pounds. Able to work in a fast paced environment.

EDUCATION/EXPERIENCE

Prior experience working with children and/or families in a professional capacity. Bachelor's or higher degree in child development, teaching/instruction, science education or other related field desired but not required. Level 1: 0-2 Years' Experience

Must be available Tuesday-Saturday from 9:30 a.m. to 4:30 p.m. (30h/week)

Please email cover letter and resume to info@crsmithmuseum.org
